Hyles-Anderson College

Dr. Russell Anderson
Cofounder

Dr. Jack Hyles
Founder & Chancellor

Dr. Wendell Evans
President

Hyles-Anderson College has had miraculous blessings and growth since its inception.

The founding of the college can be traced back to 1970 when Dr. Hyles was preaching in Pomona, California. On Tuesday evening Dr. Hyles spent much of the night praying for America. It was at this time that Dr. Hyles felt the burden for a college that would be dedicated to reaching America.

A few months later Dr. Hyles met with Dr. Russell Anderson who shared Dr. Hyles' dream. Dr. Anderson wanted to invest in a school led by Dr. Hyles and the dream came a step closer to reality.

Soon Dr. Wendell Evans began on the development of the many programs that make up a college. Actual construction of the college plant was begun in January of 1972, and just nine months later the doors opened to 301 students. For its first two years Hyles-Anderson shared the Baptist City campus with all the other schools of the Baptist School System.

Since its founding the college has been greatly blessed of the Lord. The blend of scholarship and practicality makes Hyles-Anderson truly unique in its field. The stand taken on support of Biblical standards are strictly enforced. The doctrinal stand is Biblical and fundamental and has not varied.

As the school grew the Lord gave the college a multi-million-dollar campus in the summer of 1974. Its beautiful brick buildings are situated on a lovely 90.1-acre campus. The blessings have continued in each year of the college existence. New buildings have been added every year. The additions have included a bowling alley, gymnasium, miniature golf course, several dormitories, and a beautiful 2300-seat chapel. Every year of the college has also seen an increase in the student body, regardless of the economic climate. In 1982, the college matriculated 2,272 students.

Yet the true story of this story will not be told until graduates have had an opportunity to exercise that which they have been taught. It is through these men and women that the true worth of Hyles-Anderson College will be judged. The first returns have been very encouraging for the school that many call "a miracle."

HYLES-ANDERSON COLLEGE, 8400 Burr Street, Crown Point, Indiana 46307

FISHERMEN'S CLUB

2

MATTHEW 4:19 "And He saith unto them, Follow Me, and I will make you fishers of men."

The Fishermen's Club is an organization of college men who are dedicated to winning people to Christ and discipling them. Over two-hundred college men meet every Saturday for a breakfast and challenge prior to the hours spent on the street. In 1982, the Fishermen's Club was responsible for 20,734 people accepting Christ, with over 2,203 following the Lord in believers' baptism. The director of the Fishermen's Club is Mr. George Godfrey, who is the Personal Evangelism teacher for Hyles-Anderson College.

PHOSTER CLUB

The word "phoster" comes from the Greek word meaning "light." These college ladies receive intensive training, both as a group and with their individual trainers, in order to help them to become more effective soul winners. Every Saturday afternoon, several buses spread out through surrounding neighborhoods.

MISSIONS CLUB

The Missions Club meets every month and is aimed at challenging the hearts of students with the needs of the foreign mission field. The highlights of this year's club included the Annual Missions Club Banquet and a special fund-raising drive (cans ahoy!) which raised over five hundred dollars to buy books for Hyles-Anderson graduates who are now serving on the mission field. The Missions Club has helped to make many students aware of the lack of Gospel emphasis in other countries around the world. This has created a burden in the hearts of students which we hope will lead many Hyles-Anderson students to serve Christ on foreign fields.

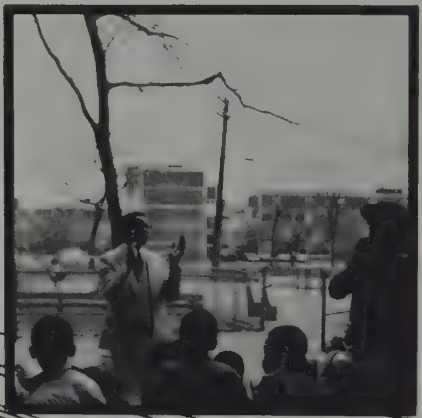
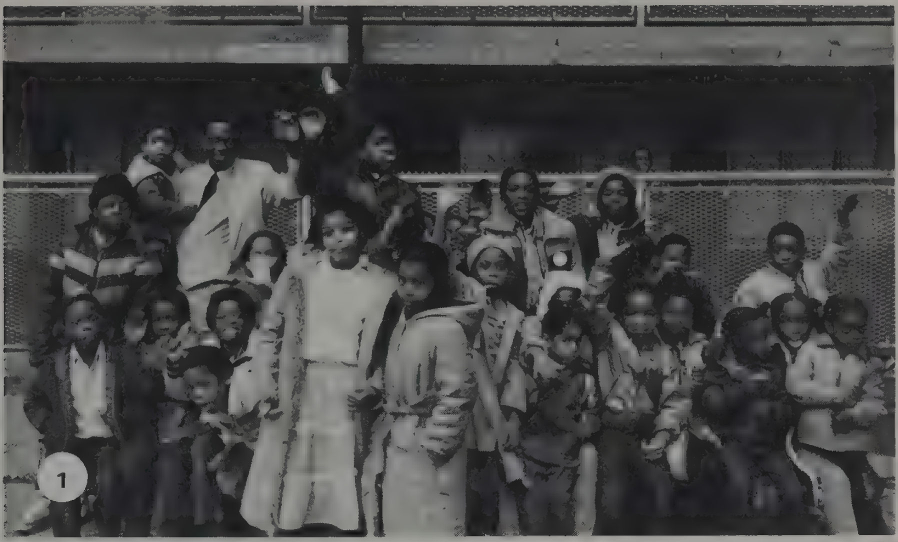
OUTREACH MINISTRY

This ministry reaches out to the people of Chicago. Immaterial of position in life, stature in society, or physical condition. This ministry reaches out to the sailors, soldiers, rest homes, project areas, and, in general, the group we call the "forgotten people."

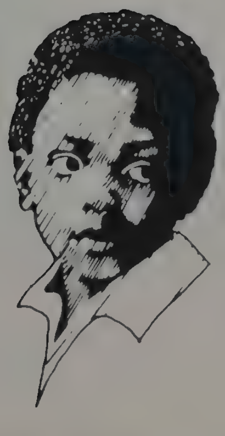


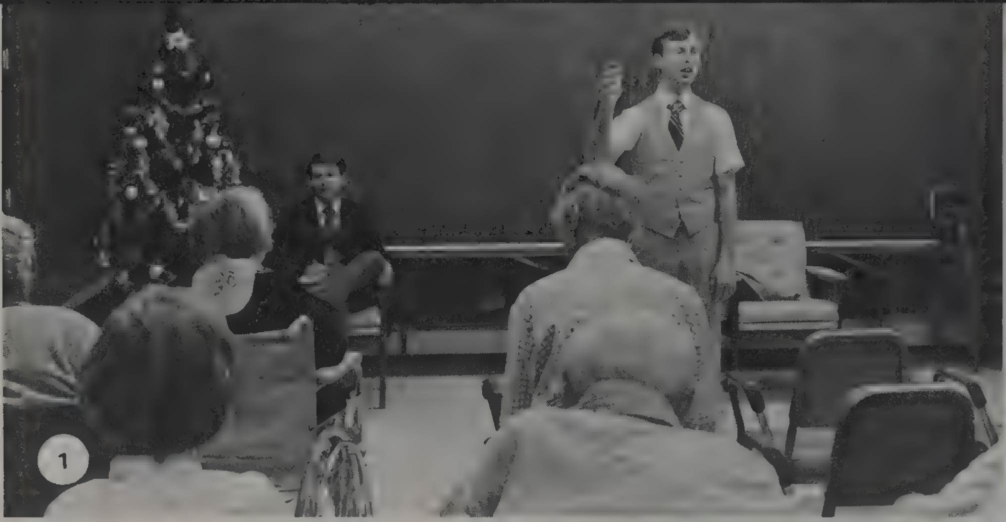
PROJECT AREA

The Project Ministry is aimed at ministering to the large government housing projects. In many ways these families have been forgotten and rejected by society as a whole. One of the burdens of the First Baptist Church is to reach these families with the Gospel of Jesus Christ.



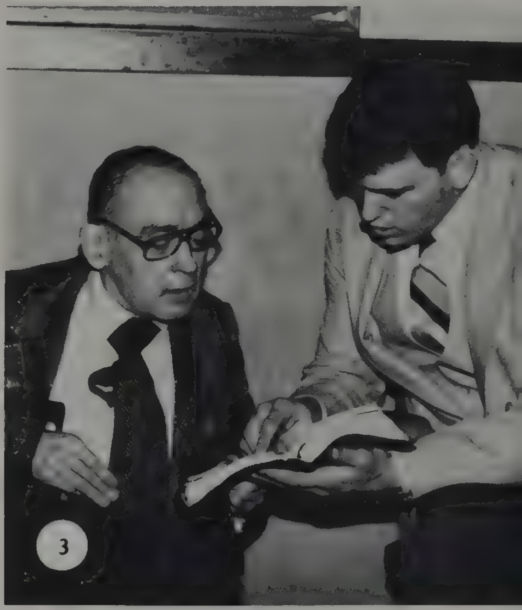
1. *Howard Burton, a Hyles-Anderson ministerial student, tries to coerce his group into smiling.*
2. *In many of the project areas an apartment is used for a meeting place.*
3. *Doug MacCormack exhorts some young people to "stand up for Jesus."*





The rest home ministry covers scores of convalescent homes every Sunday afternoon. It is a ministry that is aimed at reaching people who, in many cases, have been forgotten by family and friends. During this year, thousands of converts have been reached by college students who have been willing to invest their time on Sunday afternoons.

REST HOMES MINISTRY



1. Gary Young leads the singing for several senior citizens.
2. Don Raineri tells a story behind a Greek hymn.
3. Don Raineri explains the plan of salvation to a man who has been waiting for over forty years to have it shared with him.
4. Gary House takes time to be with the forgotten people of American society.

THE JAIL MINISTRY

Brother Les Smith heads a small group of men who have a burden for the thousands of prisoners in our area. This ministry involves visitation on Saturday and services on Sunday. There have been many memorable moments for these workers. This ministry is one of the best at exemplifying the change that salvation brings.

SERVICEMEN'S

One of the most involving college ministries deals with servicemen in the Chicago area. Sailors from the Great Lakes Naval Base and airmen from the Chanute Air Base are worked with on Saturday and Sunday. The results of this ministry includes conversions and baptisms, as well as many young men who have surrendered to preach and are now planning to attend Hyles-Anderson College.

An integral part of Hyles-Anderson College is the Soul Winning Bus Ministry. Every Thursday hundreds of students fill several buses and head for nearby populated centers. This ministry has been responsible for an average of winning two hundred souls per week to Jesus Christ. This ministry is directed by Mr. Carl Laurent, who is a member of the college Bible faculty. Brother Laurent has instituted a special follow-up ministry to help the converts of the soul winning bus.

DIVISION SONGS

Division 3
We will be loyal to Division Three,
We're number one in unity.
And though we love our brethren in all other divisions,
We will be loyal to Division Three.
In Chicago there are millions of souls
Waiting for someone to care;
Division Three will set the goal,
We will go farther than anyone has dared
With promotion and tender loving care.
A yellow bus visitation, tears and prayers,
Hearts and minds turn to God.
Start the narrow path to trod,
All because we took the time to show we cared.

Division 5
Years I spent in vanity and pride,
'Til at last I joined Division Five.
Now I sing because I am alive —
Division Five!
Now we go out every single week,
Beat the path for lost souls to seek.
'Til at last we meet at Jesus' feet,
Division Five!

Division 7
We go to Chicago on weekends
To bring the lost ones in.
To tell them of God's mercy,
And how He can save from sin.
Our division is the best,
Better than all the rest.
For we all work in unity.
We shall shout and sing as
We serve our King.
Family Seven is the best!

FIRST BAPTIST CHURCH OF HAMMOND

First Baptist Church of Hammond means more than "the world's largest Sunday School" to the Hyles-Anderson family. The church's people and pastor have opened up their arms to students from all over America. The numerous ministries have helped to give many students a burden for souls, and, in so doing, changed goals and lives. The Hyles-Anderson family gives their heart-felt thanks to First Baptist Church.

1. The First Baptist Church building dominates the inner city of Hammond. This church drew an averge of 18,000 people per Sunday in 1982. It is this church that has become a home away from home for Hyles-Anderson students.
2. Thousands of people mingle and fellowship prior to the evening service.
3. Bro. Boardway and the choir wait for the pastor to enter.
4. Bro. Johnny Colsten reads from the Scriptures prior to the message.

DR. JACK HYLES

1. The focus of each Sunday at First Baptist Church centers on Dr. Jack Hyles.
2. Dr. Evans holds a small tin pan where the last vestiges of the paid-off Hyles-Anderson College mortgage are being consumed by flame, thus making the 8400 Burr Street property solely owned by First Baptist Church.
3. The 1982 school year brought the addition of new seating via the mezzanine.
4. Bro. Colsten and Bro. Moffitt baptize after both services with over 8,000 baptisms in 1982 alone.

B, C, AND D SUNDAY SCHOOL

The "B", "C", & "D" Sunday school ministry encompasses all Sunday school pupils from outside the immediate area. All college students who work in the Sunday schools are involved in this ministry. It reaches an average of 7,000 people every Sunday.

1. Karen Kolosick greets the visitors.
2. Lorna Kennedy gets help from two young assistants.
3. Tom Newsome lends a helping hand to a young and bewildered visitor.

NURSERIES

Young minds respond quickly to the teaching of God's Word. First Baptist Church takes the children of Chicago and instills patriotism and a sense of what is right. These young people are being shaped and formed during the most malleable time of their lives.

After the close of the morning church service, 6,000 people file out, and, within just a few minutes, about two thousand junior age children begin to fill the main level of the First Baptist Church auditorium. Special monitors are standing throughout the building to help maintain order. An average Sunday in this junior church sees singing, skits, and scores of salvation decisions.

AND COMPEL THEM TO COME IN, THAT MY HOUSE MAY BE FILLED."**

YOUTH DEPARTMENT

The Youth Department is under the leadership of Bro. Eddie Lapina. This department is aimed at helping the inner-city teenagers from the surrounding area. One of the chief methods of creating interest is the special groups which are brought in to sing energetic versions of gospel hymns. Preaching, skits, and special banquets, combined with periodic activities, give these teenagers something that is truly special. Dozens of college students devote time to this every week.

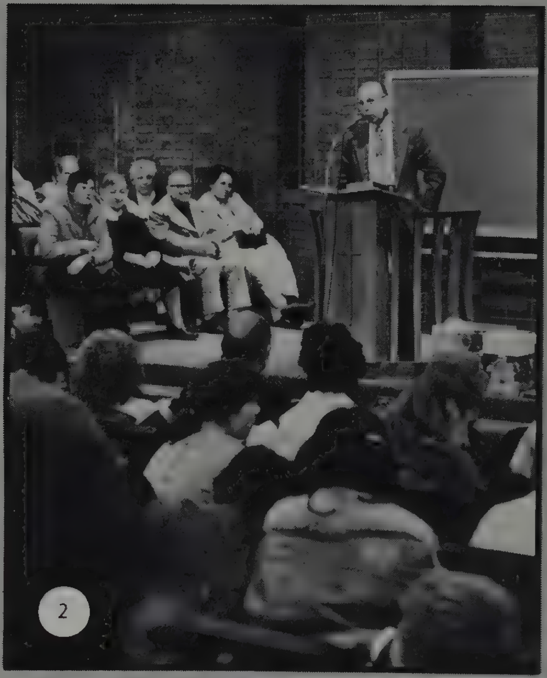
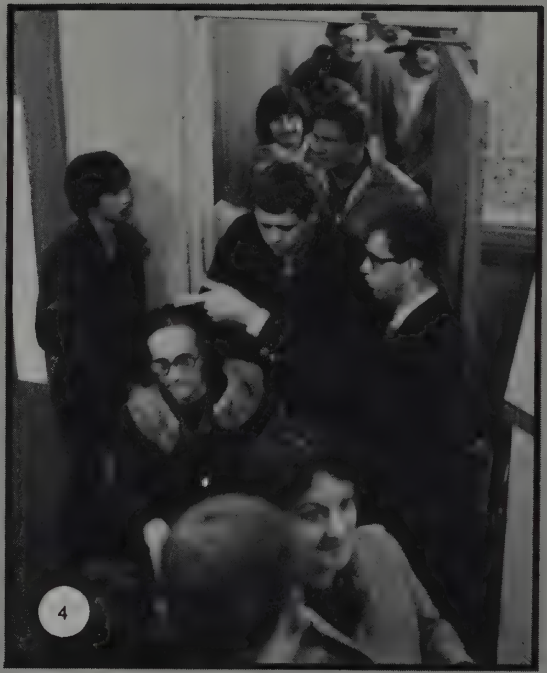
ADULT CLASS

Bro. Sam Sprunger of the college staff devotes time every week to a special Sunday School department for the bus adults. This department averaged over 175 during the Fall Program. Bro. Sprunger's warm heart shows in his teaching and preaching and has a positive effect on hundreds of adults.





1. *Mr. Sam Sprunger teaches the Bible to adults from Chicago.*
2. *Mr. Sprunger exhorts those present to be faithful and to keep Christ first.*

SUNBEAMS AND PATHFINDERS

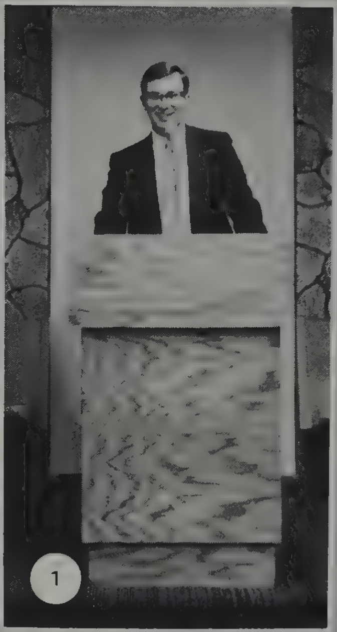
The Pathfinder and Sunbeam Ministries reach another forgotten people. This department is directed by Mrs. Irene Houston. Scores of people gather here each week to hear the simple story of Jesus Christ.

DOLL HOUSE

The Vietnamese Ministry, sometimes called the "Doll House Ministry," was started by John Wilbourn, a former serviceman. This ministry reaches out to thousands of refugees who have migrated to Chicago.

SPANISH DEPARTMENT

The Spanish Department of First Baptist Church is literally a church within a church. In size it would be one of the larger Sunday schools in Indiana. The Spanish Pastor is Bro. Elmer Fernandez. This department reaches a group of Chicagoans that is largely forgotten. With over three-quarter of a million Spanish-speaking people in the Chicago area, this is truly a field that is white unto the harvest. The Spanish Department is doing something for Latinos that has long needed to be done.



1. *Bro. Elmer Fernandez is Pastor of the Spanish Church.*
2. *The Spanish Choir directed by Bro. Fernandez sings "Jesus Yo Te Llama".*
3. *The First Baptist Church Spanish Department is truly the first church to many Chicagoans.*

4. *Three young boys receive the honor of being the teacher's helpers.*
5. *The teenagers listen to special music presented before the message.*

PERSONAL WORK

One of the greatest privileges enjoyed by Hyles-Anderson students is the opportunity to do personal work. There is a constant need for students who are willing to share the Good News.

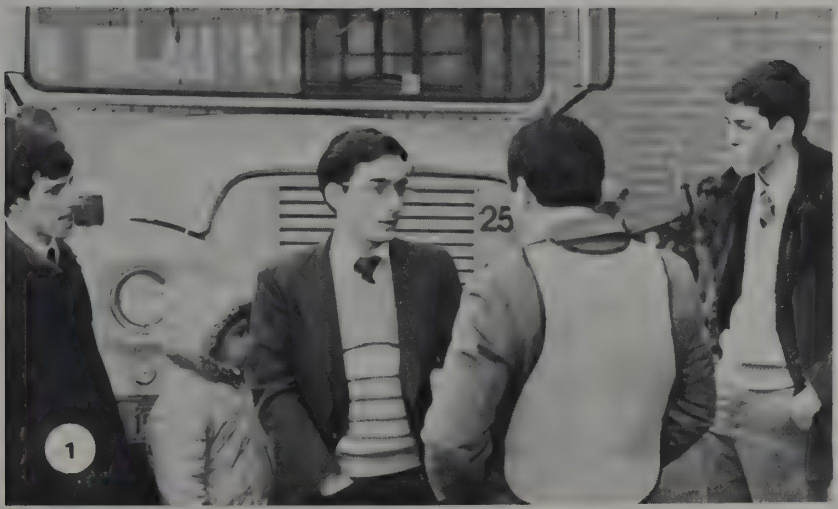
THE EXODUS FROM SIBLEY



Finally the day comes to an end. Sunday schools "A," "B," "C," "D," "E," and "F" are over. This fall, an average of 24,000 people attended Sunday school each week of the Fall Program. Sunday school ends as evening begins and the streets are filled with the thousands who have been touched by the ministries of First Baptist Church. This is, undoubtedly, one of the few churches in the world where the city police department is forced to work with crowd and traffic control each and every week of the year.

1. *Division leader Joe Esposito checks with Bro. Ray Young for advice. (Has anyone seen José?)*
2. *Girls soon learn that Sunday dress for bus routes differ from Sundays back home. (This includes special footwear.)*
3. *Donna Shepard enjoys her task. (This must have been before Sunday school.)*
4. *The Seifer Building is the home of "B," "C," and "D" Sunday school, known as the "tomb of patience."*

CHAPEL

DR. JACK HYLES

The spirit of the school never quite shows like it does on Wednesdays when Dr. Hyles speaks in chapel. No matter what his subject, he always speaks straight from his heart to ours. His love and concern for the college is visible each and every time he speaks. We will always remember the "chats," the sermons, and, of course, the "reset button." He is our chancellor, our leader, but most important of all — our Preacher!

"My disciplined schedule is my boss."

"You find freedom when you find the will of God for your life and do it."

"Let your 'wants' be determined by your 'haves'."

CHAPEL

DR. WENDELL EVANS

"Don't leave here until you've gotten all you can get."
"Don't let 'waiting on God' be an excuse for laziness."
"Live it and tell it, but live it before you tell it."
"Learn from your past, then burn it."

There is always a special excitement among the students when Dr. Evans preaches in chapel. His messages are a special challenge, and his unique knowledge of the students qualifies him to meet their needs. His insight into the moods and attitudes of the students are gleaned from over twenty years in college work. Dr. Evans has brought many truly memorable sermons.

OUR LEADERS EXORT US TO LIVE FOR OTHERS!

DR. JAMES JORGENSEN VICE-PRESIDENT

"The world is looking for someone to love them."

"Live for others in such a way that when they are gone, you can say, 'I have no regrets.' "

"What you live means more than what you say."

"Worry about whether or not people know you love them, not about their love for you."

MR. JOHN MURPHREY DEAN OF STUDENT SERVICES

"You haven't forgiven until you have forgotten."

"Love finds a way. Love breaks down all barriers."

"Where love is felt, the message is heard."

"The happiest people are those who are too busy making others happy to realize that they are happy."

MR. TOBY WEAVER DEAN OF MEN

"Love is not a feeling; love is a commitment."

"Those who meet God in the morning desire God to be God of the whole day."

"Character is what you think about in the dark."

"Adversity is inevitable; so accept the advantage of adversity."

BROTHER ROLOFF

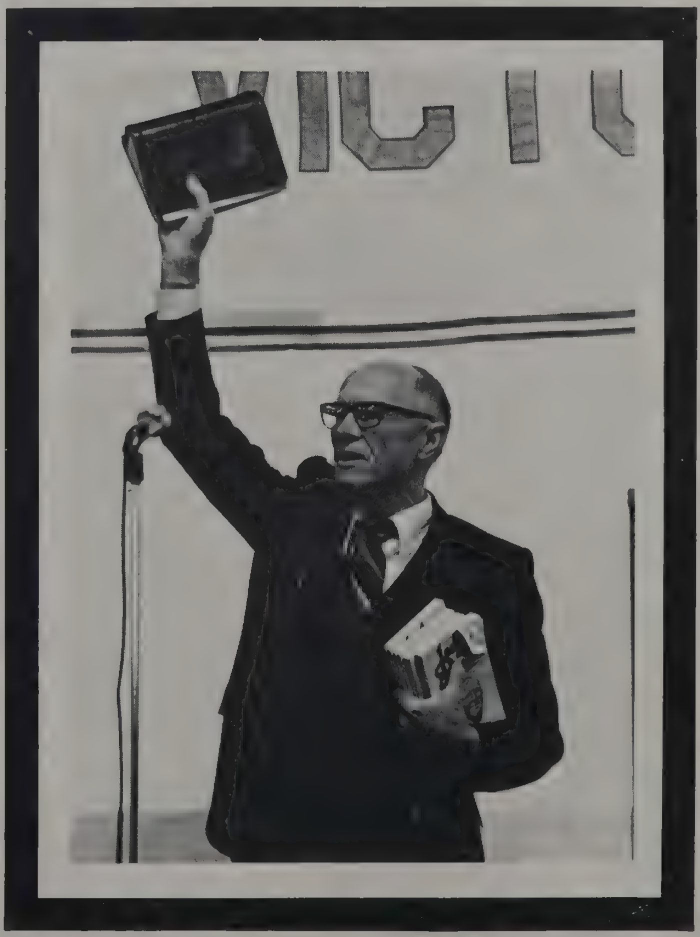
Up in the heavens and looking down here
Is a dear man who has drawn our hearts near
To our Lord Jesus; these words he did say:
"With no more need to be living by faith."

It broke our hearts when we heard he had gone.
While he was here, like a mule he walked on —
Preaching the Word; 'round the cross did we rally,
While Brother Roloff was "pawin' in the valley."

Never did he quit nor compromise faith.
"Jesus" remained on his lips night and the day.
True to the Lord Christ, for the Savior he looked,
And lived his life truly by the Old Book.
by Doug Nevill
A Hyles-Anderson preacher boy

In an interview with a reporter a few years before his death, Brother Roloff was asked how he would like to be remembered if he were to die. Brother Roloff replied, "I never quit, I never compromised, I stayed true to Jesus and (lifting up his Bible) to this Old Book."

Hyles-Anderson College cherishes the memory of a special friend who had his Homecoming this year. Brother Lester Roloff, preacher, evangelist, and friend of sinners, left us to be with his Best Friend. Brother Roloff was a frequent visitor to our chapel platform and to the pulpit of First Baptist Church. His ministry will be remembered and appreciated through the years and decades to come. We felt it appropriate to stop and remember.



CHAPEL SKITS

The Activities Department produces dozens of skits that are given during chapel throughout the year. A few of the many themes are shown on these pages.

1. *Evangelist Steve Houston, alias "The Bionic Baptist," keeps the villains under control.*

SUMMER ENDS . . . AND MEMORIES BEGIN

Opening Day exudes a spirit of excitement as hundreds of students return to the campus. This year's theme was "4-H County Fair," although in some ways it resembled a circus. Animal shows, pie-eating contests, carmel apples, and dunking machines added to the excitement.

Once again the halls were filled with the sound of hundreds of students. The various activities made the transition time easier for the students.

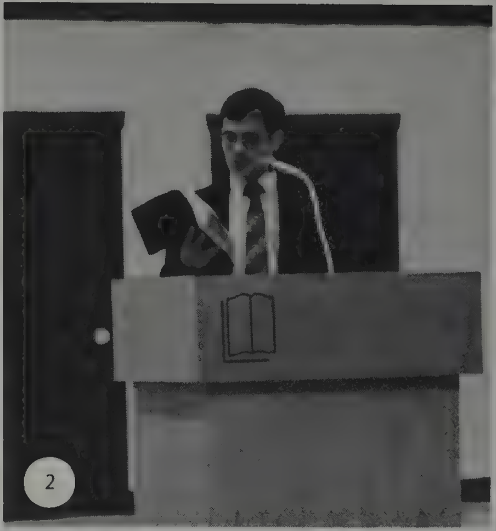
LIFE IN THE MEN'S DORMITORY . . .



Despite classes, sports, jobs and ministries, the men do spend a few hours in the buildings they affectionately call the dorms. It is a place for sleep, snacking and sometimes even studying. Because of these and many other reasons, memories of roommates and friends from the dormitories will always remain special.

LIFE FOR THE DORMITORY LADIES . . .

The dormitories come to mean many things during the years of college. Studying, excitement, friendship, devotions, dorm duties and even at times, moments of solitude define dormitory life. Dormitory life provides a kaleidoscope of memories for hundreds of students.

"When Jesus sent you to us, we loved you from the start;
You were just a bit of sunshine from your home to our heart.
Not just another student 'cause since this school began,
God had a special purpose for you in His plan."

"Sometimes you feel discouraged as you view the days ahead;
You don't know if you can make it; you think, "I'll quit," instead.
God had a special purpose when He brought you to this place;
Just remember, Jesus loves you; He'll help you run the race."

"Because God made you special,
You're the only one of your kind.
God gave you a body and a bright, healthy mind.
Oh, He had a special purpose that He wanted you to find;
So He made you very special — you're the only one of your kind."

CHRISTIAN WOMANHOOD SPECTACULAR

1

1. *Mrs. Evans and Miss Frye share a joke with the audience.*
2. *Mrs. Moffitt gives announcements and messages to the delegates.*
3. *Mrs. Evans illustrates her circle of protection.*

Thousands of ladies came to First Baptist Church for the eighth annual Christian Womanhood Spectacular, "Classics." Mrs. Evans and her staff put together the program to teach the ladies to be classics in every area of their lives. Mrs. John R. Rice and Dr. Cathy Rice were special guests. Those twenty-four hours were life changing for many ladies.

2

3

At the close of the Spectacular Saturday afternoon, the college students put on a special program, "A Different Drummer." It featured outstanding Americans in the fields of invention, sports, and religion, along with cuttings from stories by Mark Twain and Louisa May Alcott, and the story of Helen Keller.

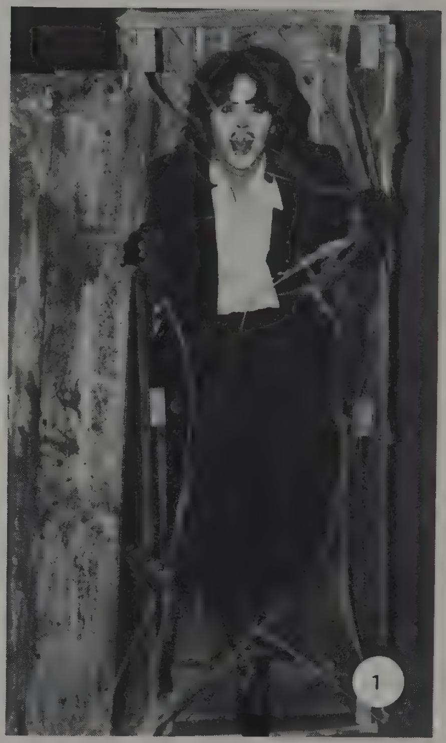
'CLASSICS'

1. *The Ladies Quintet provides special music.*
2. *Snow White and the Seven Dwarfs entertain during the patriotic program.*
3. *Mrs. Johnson leads the ladies in singing. Mrs. Hays enjoys the action song.*
4. *Dr. Cathy Rice speaks on "One Flesh."*
5. *Mrs. Colsten directs traffic at the close of a session.*

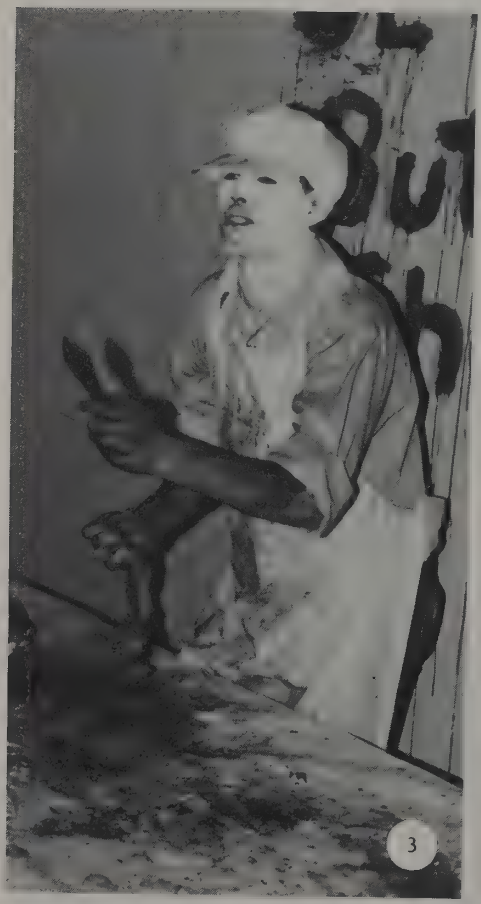
Dr. Cathy Rice, from Murfreesboro, Tennessee, spoke to the ladies about their relationship to their husbands. She encouraged the ladies to be classics at home and to love their husbands.

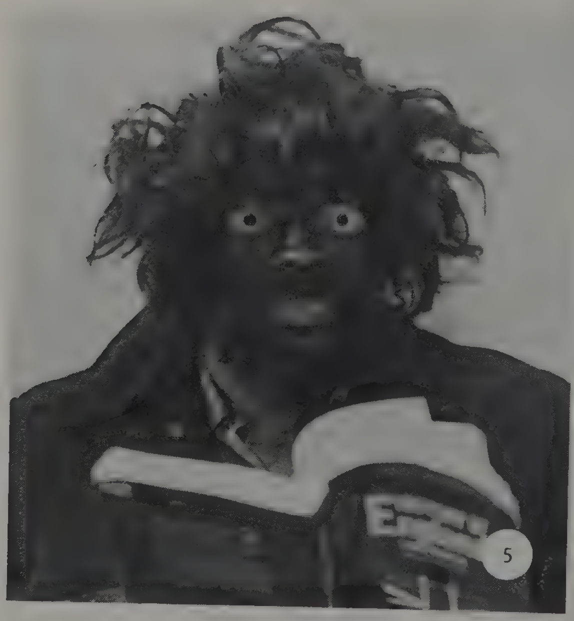
THRILLS AND CHILLS

One of the year's biggest activities is the Halloween party. This year featured the usual myriad of ghouls and goblins. One hundred students produced the activities which entertained over 1,500 paid admissions.



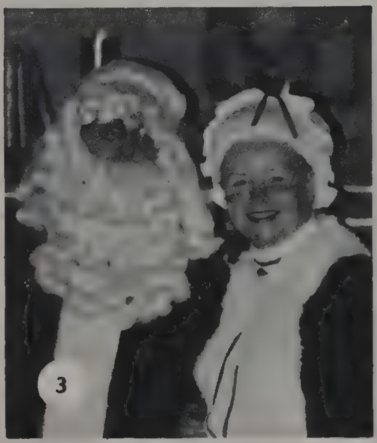
1. *People were dying to come to the party!*
2. *The Creepy Hollow program featured an interesting looking cast.*
3. *"Ye Old Butcher Shop" was said to be messy, but efficient.*
4. *The girls now know why there is an early evening curfew.*
5. *The whole evening was enough to drive anyone back to the books.*

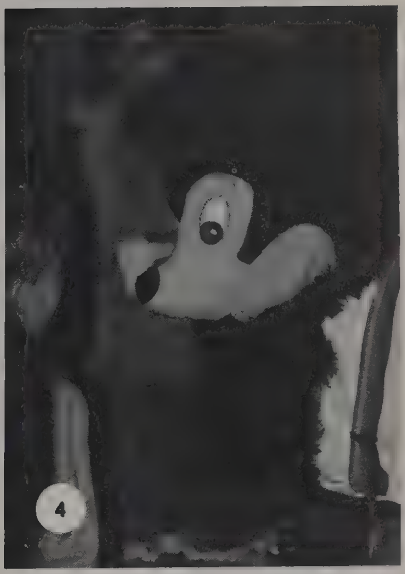




"AN OLD-FASHION CHRISTMAS PARTY"

This year's Christmas party was truly an event to remember. The pictures here of the play show just one aspect of the evening's activities which included the play, "A Christmas in Walnut Grove," a variety show, "Christmas at home," Mrs. Santa's Kitchen, and two different films. Added to these activities were free bowling and golfing for anyone who was interested.





1. *The cast of "A Christmas in Walnut Grove."*
2. *A scene from "Christmas at Home."*
3. *Mrs. Grafton and her husband, Tom, circulated through the students through the entire evening representing friends from the North Pole.*
4. *Special visitors on campus, such as Mickey Mouse, amuse young and old alike.*
5. *No variety show would be complete without a little down-home music. Here the audience was entertained by Eugene Kovach and Dave Klingensmith with a violin and guitar duet.*

1983 TOUR GROUPS

Each summer Hyles-Anderson College sends out three tour groups to cover the country. Each group visits fifty different churches in a fifty-day period. With the singing and preaching that is the hallmark of Hyles-Anderson, these groups strive to show America what a Hylander truly is!

THE ACTIVITIES DEPARTMENT PRESENTS . . .

"THE GILBRETH FAMILY"

This year's spring play was entitled, "The Gilbreth Family." The play was directed by Mrs. Leslie Beaman and produced by the Activities Department of the college. The story dealt with the unusual and sometimes unexplainable experience of a New Jersey family in the 1920's. It will suffice to say that this family of twelve children provided the audience with an entertaining evening.

1. *Prior to the play, the prop crew spent scores of hours building and erecting sets.*
2. *Dave Bush (who played Al) is excessively descriptive in describing his football prowess.*
3. *The younger members of the Gilbreth family searched the newspaper for news about their mother.*
4. *Jim Wilson greets the audience, introduces the cast members, and thanks those who were responsible for the production of the play.*
5. *Robin Stroud, playing Mrs. Fitzgerald, lamely tries to describe why she hit the Gilbreth family's aunt with the tennis racquet.*

BARGAIN WEEK

The Spring Break of 1983 was entitled "Bargain Week." It was a potpourri of excitement, entertainment and just plain fun!

Dr. Hyles exhorts the students to come and throw their pennies on the altar in order to miss classes the following day.

1¢ DAY DAY

Dr. Hyles spent a special evening with the girls at the college. At this meeting he auctioned off many of his personal possessions and gave the money to needy students.

5¢ DAY

Dr. Laurent and other staff and faculty members prepare to serve the students breakfast on this day.

SPECIAL SPEAKER

By the student's choice, the special speaker during "Bargain Week" was Dr. Dave Hyles, who was flown in for a special chapel service.

$1.00 DAY

On "Dollar Day" the students were able to buy any of Dr. Hyles' books for one dollar. Many students were able to build their libraries inexpensively due to the generosity of Dr. Hyles.

The highlight of each and every year is the annual Pastors' School. This year's Pastors' School was special for several reasons. It was the 20th Annual Pastors' School held at First Baptist Church. The theme of "We Are More Than Conquerors" was a challenge to all. Attended by over 6,000 delegates, it was also the largest Pastors' School ever held.

2. A brother from the Caribbean asked Dr. Hyles to "tell us about it". (sic.)
3. The overflowing crowd thronged every session.

3. Even the island was peopled by Indians.
4. Wood-splitting provided fun and a whole lot of kindling.
5. Picnic-goers were entertained during the day with music which only could be described as lively.

SENIOR PICNIC

The annual Senior Picnic on the day of graduation was enjoyed by seniors, their parents and faculty alike. The theme was "Cowboys and Indians." The picnic featured everything from gun fights, horseshoes, canoes, hayrides, and wood-splitting to period dress and good "down-home" music. The picnic dinner featured barbecued chicken, corn-on-the-cob, green beans with bacon, homemade rolls, topped off with cherry pie and ice cream.

The 1983 Caber was largely the result of about 12 people. We want to express our appreciation to each person who volunteered to make this volume of the Caber a reality. Weekly meetings, ridiculous requests, and questionable cooperation were just a few of the joys realized by each of these folks. We would like to add a special note of thanks to our proofreader, Mrs. Linda Murphrey.

Thank you all again.

Mrs. Pat Hays had the responsibility for the color section, student body, and the index.

TYPISTS

Brenda Smith and Shelly Nymeyer were typists for the yearbook. They spent scores of hours typing and retyping copy sheets.
